

## NOMINATION FOR LIFE MEMBERSHIP

In The Catholic Women's League of Canada, life membership gives to the recipient, in addition to the honour, a permanent place on the national council, the same voting privileges as accredited delegates at an annual meeting or convention [C&B, Article XIV, Section 2(c)], a voice in its affairs and eligibility for a national appointment. A life member receives notice of the annual national convention and, at her request, a copy of the minutes, plus copies of all relevant mailings from national office.

**Privilege entails responsibility. National council requires support and active service from its life members.** There is also the expectation that every life member will remain active in her own parish council and will be available to serve, as facilitator/mentor when requested, at all League levels. Life membership is not intended to be a reward for years of service or a retirement gift. If the nominee indicated on the *Life Member Nominee Questionnaire* that she is unable or unwilling at present to continue in active service to the League, please reconsider submitting her name at this time. There are other appropriate ways of honouring members for their dedication to the League.

Nominating councils are reminded that the nominations should remain confidential until approved by the national executive.
