2022 Online Bazaar Instructions

Welcome to the CWL 2022 Ontario Provincial Convention Online Bazaar

With COVID-19, we are looking at new ways to continue having a bazaar. Therefore we are holding an On Line Bazaar, with craft items, and new to you items.

Please read the instructions below, on how to navigate the catalogue and how to place your order:

- Each item listed includes a description, price, quantity available or whether the item will be made to order based on orders received.
- Please email your order to **Sue Ann Soulliere** at sueannsas@bell.net
- In the email, please include the **item number (i.e. A-1)**
- For items that have more than quantity listed please indicate the numbers you would like to purchase.
- Orders will be confirmed and processed on a **first come first serve basis** in the order of email arrival.
- Any items that are sold out, will not be listed in your confirmation email.
- If you would like to add items to your order after it is submitted, please send another email with the new items you would like added. This addition, will be treated as a new order. An updated confirmation email will be sent if those items are available.
- All payment and pickup instructions will be provided in the confirmation email (postage/shipping are NOT included in the listed cost).
- **All orders** must be sent **by email** sueannsas@bell.net
- **This is our last month for the Bazaar, so please share our site information!**

Thank you for your support!

For quilted items, they are made by a sister in the league. They are machine washable on gentle and can go in the dryer on low heat. They are long arm quilted, unless stated otherwise. The fabric used is 100% cotton; the batting is 80% cotton, 20% polyester.

The refurbished doll closets are a first time project for one of our sisters in the league. The wood was sanded, painted, and quality, decorative papers applied with Mod Podge, then sealed with a coating of Mod Podge.

The doll flannel night gowns were made by a friend who is experienced in making clothes. These gowns can be hand washed, or machine washed on a gentle cycle.

Some of the items, new to you, have been donated and grouped into amazing bundles.

What is a Lap size quilt you may ask? It is a quilt, smaller than a bed size quilt, used to snuggle under while reading a book, watching a movie or meditating. The average size is approximately 50 inches by 70 inches.

These quilts are made using 100% cotton for the tops, binding and backing (unless otherwise stated). The batting is 80% cotton, 20% polyester. All quilts are machine washable using the gentle cycle, and in the dryer at a low setting.

Craft items listed have been made by a sister in the League.
