COMMUNIQUE #4

MARCH 2020

TO: Parish Secretaries
From: Michelle Morrow, Diocesan Secretary

Greetings to all,

First of all, let me offer a warm welcome and sincere congratulations to our new recording &/or corresponding secretaries. If you have any questions, please do not hesitate to reach out and ask. If I don't have the answers, I will get them for you.

From our Provincial Administrative Assistant (Corresponding Secretary) Anna Tremblay comes encouragement in maintaining connections to our sisters in the League who are not able to join us at meetings and other events taking place in our parishes. In her communique dated January 11th she reminds us that one way we can do this is by sending 'thinking of you' notes or cards to members of our councils who are unable, for any reason, to join us on a regular basis. If we think of our own lives, we remember the joy, and perhaps the excitement, we have when we open the mailbox and see a note addressed to us. It reminds us that there is someone who is thinking of us and took the time to write us a note. We are in a position to offer the same joy to our sisters.

Perhaps there is a mother we know who just can't join us like she would like to because of the busyness of her life with children, work and all the related tasks. Think of the pleasure she would receive knowing that she isn't alone and someone is still thinking of her.

As the Corresponding Secretary in our councils, we are in a very unique position to make sure our sisters know they are still in the thoughts of our members. A few simple words are all it takes to make someone's day.

Blessings to all,

Michelle Morrow
